

THE LINE DANCE FOUNDATION UPDATE – FEBRUARY 2014.

..... Dancers helping Dancers

Dear Dancers...

It is my pleasure to bring you the latest update on the progress of the Line Dance Foundation.

The Foundation is a stepping stone to a full registered charity working on behalf of the Line dance community. At present it's purpose is simply this: - In times of need or distress to help and support those who earn their living through Line dance or those who earn a significant part of their living from line dancing.

The Foundation operates through a Board of Trustees made up of myself, Steve Healy, Lyndsey Naylor, Peter Metelnick, Alison Biggs, Scott Blevins, Glenn Rogers and Cathy Hodgson.

It is the Board of Trustees who consider and approve the payments made to

beneficiaries and thankfully we have been able to assist on every occasion when our help has been sought.

The Foundation account was opened in February 2007 and several thousands of pounds in beneficiary payments have been made. 100% of the money that is raised goes to the Line Dance Foundation. We do not take any deductions for any reason whatsoever.

The Line Dance Foundation is all about Dancers Helping Dancers so, if you know someone who needs our help please get in touch. Also, if you can help to raise funds we would be delighted to hear from you.
