◆ Geoff Ellis Review & Celia Ellis LDF Day Poem ◆

Had a great day on Sunday at The LDF Yorkshire Day of Dance at Harrogate organised by Cathy Hodgson Thanks to Cathy for all her hard work, Jacqui & Alan (for the music & workshops) and Donna Wylde (for the live music for dancing in the evening). Unfortunately with Celia being unable to dance she has to occupy her time doing something so wrote the poem below during the afternoon.

We had travelled from our caravan at Lytham where Celia had been doing some baking for the charity. As usual Celia's baking went down very well and thanks to the generous donations received £95 which was added to Cathy's total for the day which exceeded £1000. Well done Cathy for 11 years of raising money for the charity at this event.

Cathy's done it once again,  
Got us all together,  
Everybody's happy,  
Doing dances that we've known forever.

Of course some may be Alan Birchall's classics,  
God knows he's had a lot,  
Some just go on and on and on,  
And will never be forgot.

We're here for the Line Dance Foundation,  
Jacqui and Alan teaching something new,  
We're having fun and making money,  
What better thing to do.

We thank you for your donations,  
You've enjoyed yourselves and done some good,  
Thank You for the calories you've consumed,  
You've danced them off, I knew you would.

Eleven years she's done it,  
Hopefully lots more years,  
And we know that you all love her,  
So let's give Cathy three big cheers.
