

Southport Souvenir

The party mood was present from the off at the Southport Souvenir starting with Christmas dinner on Friday night! Alan Birchall taught 'The Fox'. "Oh, we did have fun with it!" Jacqui Jax writes. "Saturday's workshops covered all levels, Improver-Ragtop, Intermediate-Pointless, Advanced-I Want Crazy and a quick recap of S.X.E. to finish! Saturday night featured BCMA Best British Country Female Vocalist of 2013, Nancy Ann Lee, she was brilliant, a lovely voice and very entertaining, she also

joined in 'The Fox' together with Steve (the barman). They both had fun with everyone! Sunday's workshop was a blast from the past, Human-Dancer (dancers voted at Saturday's workshop which classic they would like to do on Sunday). There were also recaps of Saturday's dances and Let's Chill, in a circle. The weekend finished with a final 'What Does The Fox Say'. Alan and I would like to thank all our guests for helping make Southport Souvenir a memorable weekend for us and Kingshill."
